

NIGHTINGALE

INSTITUTE OF NURSING

BANGALORE, KARNATAKA

Exalting Education
Service to Mankind

A photograph of a man and a woman looking at a document together. The man is on the left, wearing glasses and a striped shirt. The woman is on the right, wearing a pink top. They are standing in front of a building with a blue sign that reads "NIGHTINGALE" and "Affiliated to Rajya Chikitsa".

OUR COLLEGE PROFILE

Nightingale Institute of Nursing was established in the year 2003 under the Chairmanship of Sri. G.S. Basavaraj, the Hon'ble Member of Parliament, Tumkur. The institution runs under the auspices of Sri Channabasaveshwara Swamy Rural Education Society, Tumkur.

The Institute is situated in a sprawling campus of 8 acres in the heart of Bangalore City, just half a kilometer from City Railway Station & Bus Stand. Built within lush green field with marvelous ground for outdoor games and the college is a paradise of pristine & beauty.

Our Institution is recognized by INC, KNC & affiliated to RGUHS, Karnataka. The college was started with UG & Diploma Programme. But gradually it has grown to offer PG programme in 5 disciplines, besides Post Basic nursing Programme.

More courses are to be added to the list so that a wide spectrum of courses tailored to meet the individual capabilities.

VISION:

"To create Centers of Excellence in Education and other related fields & thereby serving the Society by enhancing the Quality of life through value based professional Leadership"

MISSION:

To provide high quality and professionally relevant education in a diverse learning environment

To provide the values that prepare students to lead their lives with personal integrity, professional ethics and civic responsibility in a global society.

To prepare that next generation of skilled professionals to successfully compete in the diverse global market.

To promote an environment that welcomes and honors men and women of all races, creed and culture and values intellectual curiosity, pursuit of knowledge and academic integrity and freedom.

CHAIRMAN'S MESSAGE

Welcome to the solemn precincts of an institution Nightingale Institute of Nursing , that really attempts to deliver what is promised in the forthcoming pages - a solid foundation to your future career.

Housed in a sprawling campus , right in the center of the city for higher proximity ,Nightingale Institute of Nursing beckons to an academic environment that imparts quality education by a team of faculty members who have excellent academic credentials in their chosen line of specialization , tempered with long years of teaching experience .

Globalization of our economy has ushered in abundant scope for those who gain the required skills and eventually occupy position that calls for a high degree of professional caliber. With the ever- changing competitive scenario, caused by the marvel of Globalization, tremendous potential has emerged in health sector for those who are qualified and ambitious enough to scale new in their career life.

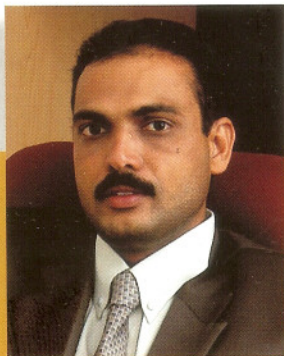

We believe that youth empowerment is vital for civilized and progressive society. Youth are bestowed with creativity, curiosity and zeal and they accept changes more readily. Any society's progress can be gauged by the health of its people and effective utilization of youth power. At Nightingale Institute of Nursing, you can develop your expertise and Knowledge in an supportive and stimulating academic environment. We want you to enjoy your time here and we are committed to make your experience at Nightingale Institute of Nursing a rewarding experience.

Sri G.S. Basavaraj
(Member of Parliament)

Sri Jyothi Ganesh
Secretary

Sri Rudresh Kumar
Managing Director

Sri Jyothi Ganesh & Sri Rudresh Kumar are the Co-founders of the institution. As young, energetic, enthusiastic nature, they infuse qualities of leadership, sincerity and decisiveness in their commitments and they continue to be the guiding factors in the growth of the college. Their foresight and pioneering effort has resulted in high end professional education being offered to every part of the country.

THE DEAN

A profession of compassion

Prof: Mrs. C.A Jayakathambari specialized in Obstetric & Gyneacology is in the forefront of Nightingale College of Nursing. She is highly qualified, eminent, & active administrator.

She joined this college in the year 2003 as Principal. She is promoted as Dean of Nightingale Groups. She strongly believes "Nursing as a Profession of Compassion". A compassionate nature and a strong commitment to the sick and disabled are the defining characteristics of this profession. It is an indispensable component in any form of medical care. Nursing professional play an important role in the health care delivery system. There is acute shortage of qualified nurses in the country both for nursing education and nursing service.

"Yes, Today Nursing stands as one of the most noble and lucrative professions, worldwide".

"One kind word can warm three winter months"

Prof. Mrs. C. A. Jayakathambari
Dean

LABORATORIES

"When I do I never forget"

Our Institution has excellent laboratories as pre-exposure to the clinicals & major hospitals, operation theatres, Cardiac Units, Community & Maternity Centres. The following labs are equipped from basic to sophisticated articles & equipments for competent Nursing Practice. All the labs are under continuous monitoring by CCTV Cameras.

- **NURSING FOUNDATION LAB**
- **MATERNITY & CHILD HEALTH LAB**
- **COMMUNITY HEALTH NURSING LAB**
- **NUTRITION LAB**
- **ANATOMY LAB**
- **MICROBIOLOGY & BIOCHEMISTRY LAB**
- **COMPUTER LAB**

NURSING FOUNDATION LAB:

This is perhaps the most primary and essential laboratory. Here students are given practical insight through training which incorporates various biological and behavioural sciences that determine nursing and patient care.

This lab consists of more modernized equipments like Cardiac Resuscitation manikin & actual dummies to demonstrate complex invasive procedures to impart affective domain of the curriculum under the supervision of qualified teachers.

MATERNITY & CHILD HEALTH LAB:

"The world needs midwives now more than ever"

As in par with the above saying midwives are key in health care. Skilled Maternity care & New Born care starts from this lab. The achievement of reduced maternal and Neonatal deaths requires a global commitment to grow a strong & well educated midwifery workforce. The functioning of health service delivery system is provided in this lab. An understanding of female reproductive health process enables the students to provide comprehensive care to woman who are prone to high risk during pregnancy.

COMMUNITY HEALTH LAB:

Nurses figure prominently in Primary Health Care delivery & development. They need broader determinants of health including education & practice to identify the risk factors, provide health education and information promotes the benefits of healthy life styles, diets & avoid high risk behaviours. This department prepares students to undertake socially conscious task of providing health care to both rural and urban communities. Our experienced staff provides excellent theoretical and practical orientation to students to prevent disease and promote positive health. Our students also participate in all the Govt. programmes.

MEDICAL SURGICAL NURSING LAB:

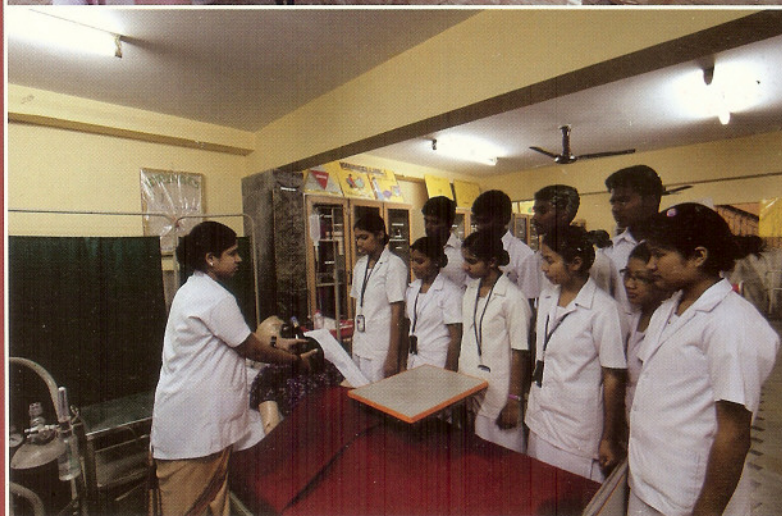

Nurses need to understand proper procedures in dealing with patient who have medical and surgical ailments. This lab orients students to various disease conditions in terms of etiology, clinical manifestations and various diagnostic procedures. The knowledge gained enables them to diagnose nursing problems, to plan nursing care and ensure complete recovering. Students are also taught to develop skills and handling life threatening situation.

DEPARTMENT OF PSYCHIATRIC AND MENTAL HEALTH NURSING:

The complex living conditions and increasing stress and strain of life style had caused an increasing number of mental illness. Our students are sent to psychiatric institutions to get orientation to different types of mental illness and abnormal behavior patterns. Highly qualified teaching staff provides students with theoretical and practical insight to nurture the mental health.

NUTRITION LAB:

Nutrition is yet another special attention area in nursing. Here students are taught the fundamentals of preparing various type of diets. They learn to differentiate between wide variety of diet and diet patterns recommended for ailments like diabetes, diet for renal conditions, diet for hypertension, anaemia, ulcer, diabetes etc. Nursing Students should know the vital role played by the nutrients to protect, promote & maintain the health.

ANATOMY LAB:

This lab is equipped with miniature live models, wet specimens, loose bones, skeletons, ample number of charts for easy way of learning complicated structures of human body.

COMPUTER LAB:

Computer has become a prime necessity in today's life. Keeping in par with the same trend we have a well equipped computer lab with High speed internet facilities. The lab is organized with computers with a maximum of 20 students at a time to learn & search the inner core.

CLINICAL TRAINING EXPERIENCES:

Under Graduates, undergo clinical training in

- ESI Hospital, Indiranagar
- Republic Hospital
- Spandana & NIMHANS for Psychiatric Care
- JJR Maternity Centers
- Nagaraj Memorial Hospital
- Maternity Centre, Azhadnagar

Post Graduates Undergo training in

- Vani Vilas Hospital & Victoria Hospital
- Medical Surgical Speciality
- Indira Gandhi Hospital - Paediatric Speciality
- Ellamma Dasappa Hospitals - OBG Speciality
- NIMHANS - Psychiatry Speciality
- Mahalakshmi Layout & Sumanahalli Rural Health Centre
- Community Speciality

The total Contribution of a lakh worth materials of dhals, grains, medicines, clothing, life saving drugs and food donated to the extremely weaker section of community in the "HOME OF HOPE" which cares street people, Aids patient, mentally retarded, disabled and Spastic People.

PULSE POLIO :

Co-Ordination with Government & Central Government, the College Participates in the Pulse polio programmes biyearly.

Continuing nursing education programmes like debates, seminars, symposium- being conducted at Inter & Intra College level every month.

Students in their Final year Visits major Hospitals, cancer institutes, Drug Production Centers, Vaccine preparation centre's, Disabled homes, half way homes, hospices Etc ... as part of their Curriculum fulfillment.

Staff development Programmes are conducted every month, on topics related to current issues & trends on nursing & general titles. Annual tour & Retreats are arranged once in a year to motivate & to build inter personal relation ships.

RESULTS

The students had attained
98 to 100% results in all these years.

TRANSPORTATION:

- The college has ample number of vehicles to cover the needs of the student like.

To Ply Students from college to clinics
 College to community set up
 College to boys hostel
 College to railway Station & Bus Stand
 Educational Tours & Visits
 And a separate vehicle is kept ready for 24 hours in case of emergency in the hostel.

Achievements & Highlights:

Won 1st Prize in Inter College Cultural competition.

Participation in university tournaments.

Leprosy Day Programme was Conducted at leprosy centre, summanahalli, Bangalore.

Clients were given uniforms, and client's children were given school bags. Stationary items, note books.

PARTICIPATION OF BLOOD DONATION CAMP:

Students organized blood donation camp in the college and donating blood eagerly to the needy people.

Extra Curricular Activities:

Co-curricular activities during the academic life contributes to the manifestation of social, intellectual, Physical & mental perfection. These events will enable the students in the cultural & literacy activities and also provides an opportunity to interact with every one and helps them to develop organizational capacities & leadership qualities.

Events Celebrated:

- Lamp lighting Ceremony
- Cultural Programmes
- College day Programme
- Nurses Day Celebration
- Teacher's day
- Sports Events
- Ethnic Day
- Farewell Programme

Lamp Lighting Ceremony:

The concept of celebrating this ceremony is to welcome the young nurses to take oath before they start their nursing practice. It is celebrated with great modesty with reverence as holy as ordinance.

CULTURAL PROGRAMME:

Every year Cultural Competition are held to bring out the hidden talents in various aspects like dances, skits, solo singing, group song, mimicry, mono-act for encouraging & promoting student capacities and to highlight, project them and prepare them for state level & National level competitions.

ANNUAL DAY PROGRAMME:

College Annual Day Programme is celebrated every year with great enthusiasm and interest in a very grand manner. Parents of all the students are invited to attend this festive day to participate in the grand dinner with delicious varieties of menu and enjoy the cultural programmes with great joy, with their children.

NURSES DAY CELEBRATION:

To honour the founder of modern Nursing Miss. Florence Nightingale, on her B'day we celebrate Nurses Day on May 12th every year. It is characterized by a speech & oath taking & followed by workshop, symposium, quiz competition conducted according to the theme of each year and winners are awarded with prizes.

SPORTS EVENT:

The sports festival is a lengthy festival of Nightingale groups, since the college is equipped with very spacious, modern indoor auditorium & outdoor playground within the premises. The students are highly motivated to participate. The opportunity enables them to come out with sports talents. The events conducted are;

- Indoor games
 - Chess, Caroms, rangoli, mehandi, shuttle cock, table tennis, badminton etc.
- Outdoor games like
 - cricket, shot put, discus, javelin throw, athletics, volley ball, throw ball relay etc.

The events are differentiated for boys and girls separately.

FAREWELL PROGRAMME:

Bidding farewell is a heart breaking event to any human being. It is conducted with a combined feeling of joy & sorrow where the students have both the kind of feelings of past & future which ends in tears.

ETHNIC DAY:

This day is celebrated to highlight the culture, traditions, believes & values of different states in India & abroad, since the students of Nightingale Groups hail from all parts of India and from abroad. The day has its full fun by wearing regional costumes by our students and performance of dances, dramas pertaining to the different regions.

FESTIVALS THAT ARE CELEBRATED EACH YEAR:

CHRISTMAS:

In the 1st week of December, Christmas party is celebrated with full involvement and dedication. It gives lots of joy & pleasure to all students, staff & management. Thrill is revealed when finding the Chris friend on this day. As Christmas is festival of joy & sharing. Everyone shares gifts & sweets & cakes, balloons with Santa Claus. Students entertain everybody with skits, songs & dance which indicates the birth of Jesus Christ.

DEEPAVALI:

It is a great festival of lights in our country. Deepavali evening, the sky is touched with crackers, flowerpots and rockets by our students. It's the most enjoyable time, where they make the night to look like day.

GANESHA CHATHURTHI:

Ganesha's idol is kept in the college auditorium and there are dances, music concerts by the students from different regions in India. It comes to closure by the immersion of idol in a tank.

DASARA:

To illustrate the feelings of friendship and goodwill, dasara festival is celebrated with great splendor in our college.

ONAM:

It is celebrated with enthusiasm and the whole college glows with different colours of "Rangoli" by flowers. There is great harmony among all the students of our college by wearing traditional "Kerala dressed" and by having "Onam special food" prepared by Keralites.

HOSTEL FACILITY:

Nightingale has separate boys & girls hostel with well furnished room & modern amenities like inbuilt shelves & wardrobes and furnitures. The overall atmosphere is very conducive for the students to concentrate on studies.

- A very strict emphasize is made on hygiene & cleanliness for a health full living.
- Regional menu caters to the student needs & keeps changing according to the taste.
- Generators has been provided as a backup.
- 24 hours hot water supply.
- Fire proof for safety in each floor.
- 24 hours security services.
- Inbuilt staff quarters to attend academic & personal problems of the students.
- 24 hours scrutiny, communication, dispensary facilities.

PLACEMENT:

Nursing has acquired the status of reputed profession in today's world, in which the awareness of holistic health care system is nurtured progressively. Students are prepared in their final year in the aspects of resume preparation, tips to face the interviews by sessions and one to one contact study. This would help the students to arrive at intelligent and optimal decisions about their future.

The institution has tie up with giant hospitals like CARE Hospitals, Manipal Hospital, Narayana Hrudayala, UK Hospitals, Chennai and Apollo Groups etc.

RESEARCH & DEVELOPMENT:

Staff gives research oriented topics to the students and make presentations in order to make their contribution to be presented in conferences and journals. Active research is pursued in the areas of

- Modern Trends in palliative care for Cancer Patients
- Role of Nurses in Rehabilitation
- Occupational Health Hazards

There are plentiful employment opportunities for the nurse booming at Global Level.

* In case of any dispute, the legal jurisdiction shall be at Bangalore, Karnataka.
